

HISTORIC LANDMARKS COMMISSION

NOTICE OF VACANCY

The City of Federal Way is partnering with King County Landmarks Commission to review local historic landmark applications submitted to the city. The Landmarks Commission is composed of nine members with Federal Way City Council appointing a 10th special member to the commission for a five-year term. This special member sits as a regular member of the commission for all business regarding Federal Way.

When an application is submitted to the city for landmark review, the King County Landmarks Commission shall meet at Federal Way City Hall. The time commitment for commissioners is generally four to eight hours per month; including occasional site visits, tours and training workshops each year. Commissioners serve without compensation.

Prospective commission members shall have demonstrated interest and competence in historic preservation as evidenced by experience in such fields such as historic preservation, history, architecture, planning or other related disciplines.
